A Legend in Every Design

ABOUT US

Camrola Quartz, founded in 2018 in Himmatnagar, Gujarat, is a state-of-the-art manufacturer of engineered quartz surfaces. With a daily production capacity of 1,400 sq.m, Camrola offers high-performance, design-forward slabs crafted for modern residential, commercial, and architectural applications.

Engineered quartz is created for precision, consistency, and durability. Camrola's quartz products combine advanced manufacturing with customizable aesthetics, offering a reliable, low-maintenance alternative to granite or tiles—perfect for today's demanding interiors.

With a mission to become India's top engineered quartz brand by 2030 and a global leader by 2035, Camrola is built on innovation, efficiency, and quality. Led by industry veterans with 25+ years of experience, the company is pushing the boundaries of engineered stone in size, design, and technology.

Think Quartz

Think Camrola

We're pleased to introduce our newest collection, a celebration of pastel serenity shaped into timeless surfaces. Inspired by the quiet elegance of gentle hues, this range combines nuanced textures, soothing colours, and versatile finishes that redefine contemporary living. Each tile is crafted to evoke calm, elevate space, and inspire designers to imagine with softness. At this exhibition, we invite you to step into a world where subtlety becomes a statement, and every surface feels like a piece of art.
