About us

Camrola Quartz Ltd. is a leading manufacturer of high quality quartz stone, located in Gujarat, India, with a production capacity of 15,000 SQ FT per day. We specialize in engineered quartz surfaces designed for use in residential, commercial, and industrial construction projects. Our quartz products offer superior durability, strength, and ease of maintenance compared to natural stones. Whether for new construction or renovations, Camrola Quartz provides a reliable, aesthetic alternative to granite and tiles while enabling fully customizable designs tailored to customer needs.

Built on a foundation of quality and efficiency, Camrola employs strict quality control systems to ensure consistent output with minimal waste. Our leadership team brings together decades of experience in the Indian quartz industry, combined with international expertise from the USA and Singapore. At Camrola, we are committed to innovation, excellence, and delivering world-class surfaces that redefine interior and architectural spaces
